

POSTOPERATIVE FOLLOW-UP **AT HOME**

You benefit an enhanced recovery programme that will allow you to return home **quickly** after your operation.

To ensure successful postoperative follow-up, we offer you **close monitoring**. Please tell your surgeon your preferred method of follow-up from among those offered to you:

- SMS** (on any type of phone)
- Smartphone app** (Android or iOS) **Internet**
- Platform** (on tablet or computer) **Home care**
- Nurse** (of your choice)
→ Please provide their telephone number: ☎

The answers you provide will be promptly read and interpreted by our team. Of course, if you have a problem of any kind whatsoever, or if you are worried, you can always reach us at: ☎

Lastly, one week after your discharge you might receive a message (or an email where applicable) to find out if you were satisfied with your stay and follow-up. Your answer will help us further improve our practices.

We wish you a speedy recovery.
